

ANCILLARY PRODUCTS

When you purchase medical coverage through SummaCare, you have the opportunity to purchase additional ancillary coverage. SummaCare has negotiated discounted rates with the ancillary providers listed below.

Dental Coverage

Guardian Dental offers a variety of plan designs to fit your needs and budget. These dental plans offer a range of deductibles and maximums, as well as the largest individual dental network in Ohio. Each plan covers preventative, basic and major services, as well as optional orthodontic services.

Dental is billed separately from medical premiums. Separate invoices will be received from Guardian Dental.

Life, Accidental Death & Dismemberment

Guarantee issue life insurance/coverage is available for employers of two to 50 through our partner Lincoln Financial. There is no additional medical underwriting or waiting period separate from medical.

Premiums are billed along with your medical premiums and will appear on your SummaCare invoice.

Voluntary Employee Benefits

Comprehensive Benefit Communications offers a variety of voluntary employee benefits, customized online enrollment systems and benefit communications.

Vision

EyeMed Vision Care offers flexible vision plans, serviced by one of the largest networks nationwide.

Flexible plan designs include:

- Eye exams with \$0 or \$10 copay every 12 months
- Frames at \$100, \$120 or \$140
- Many different lens options, including contacts

Ten employees are required to enroll.

For more information on these services or any SummaCare services, please call your Account Manager at 330-996-8444 or 800-821-9322. If you are a broker, please call the Broker Service Line at 330-996-8880 or 800-996-8818.
