

## Deductible Credit Transfer Form

If your employer group had a different group health insurer prior to joining SummaCare and the insurer required that you meet a deductible each benefit period, you may be eligible for a deductible credit transfer. In this case, covered expenses for medical services received in the current calendar year which applied to your prior plan's deductible will be applied toward your SummaCare in-network (preferred) deductible.

To apply these expenses to your SummaCare deductible, please list the individuals covered by the plan who received services and include the total dollar amount satisfied for each individual. You must also attach copies of the Explanation of Benefits (EOB) statement for each individual listed to receive deductible credit. **IMPORTANT!** To ensure deductible credit is properly applied to claims filed with SummaCare, please provide the information requested **within 90 days of your effective date with SummaCare coverage**. **PLEASE NOTE: If you are a new hire joining SummaCare after your group's initial new group enrollment or enrolling due to a qualifying event, you are not eligible for a deductible credit transfer.**
