O Automatic deduction from your monthly Social Security or Railroad Retirement Board (RRB) benefit check*
I get monthly benefits from: **O** Social Security **O** Railroad Retirement Board

PLEASE NOTE: The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, the effective date of the deduction will NOT be the same as your enrollment effective date with SummaCare. SummaCare will send you a monthly bill in the mail until we receive notification from Medicare as to which month they begin taking the money out of your Social Security check. You are responsible for paying by check until such time as we have established the effective date of your withhold.

*You should know that Social Security LIMITS the automatic deduction amount allowed from your benefit check to $300. For example, should you select the SummaCare Medicare Emerald plan and there is a two-month delay in processing, the entire transaction will be rejected by Social Security because the deduction amount would exceed $300. You will then default back to being billed by mail for all unpaid premiums.

If you have to pay a Part D Income-Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit or you may get a bill from Medicare (or the RRB). DON'T pay SummaCare the Part D-IRMAA.
