

Chamber Health Benefits Plan

in partnership with

Chamber Health Benefits Plans and Regional Chamber Partner Memberships

Employer Groups are required to join the Greater Akron Chamber (GAC) for access to the Chamber Health Benefits Plan (MEWA). The GAC has also partnered with several Regional Chambers to provide access for their members to the Plan.

To access the Plan, employers need to join the GAC, or one of the Regional Chamber Partners listed. If opting to join a Regional Chamber Partner based on their business zip code, the employer group will also need to complete a GAC application at greaterakronchamber.org and pay a yearly GAC administrative fee of \$100 to participate in the Plan.

Payment of the \$100 fee gives the employer group all the benefits of a traditional GAC membership while maintaining a local presence with the Regional Partner Chamber.

Employer groups that are members of one of the Regional Chambers provide their receipt for the GAC \$100 fee that shows their GAC member ID and also proof of the Regional Partner Chamber membership to SummaCare during enrollment.

Regional Chamber Partners	Eligible Zip Codes
Lake Township Chamber	44685, 44632, 44630
