Section 1 – Introduction

This directory provides a list of SummaCare’s network providers.

What is the service area for SummaCare?

The counties in our service area are listed below.

Allen, Ashland, Ashtabula, Auglaize, Carroll, Columbiana, Cuyahoga, Defiance, Erie, Fulton, Geauga, Hancock, Henry, Holmes, Huron, Lake, Lorain, Lucas, Mahoning, Medina, Mercer, Ottawa, Portage, Putnam, Sandusky, Seneca, Stark, Summit, Trumbull, Tuscarawas, Van Wert, Wayne and Wood.

How do you find SummaCare providers that serve your area?

This directory begins with a listing of SummaCare hospitals and urgent care/convenience care centers. SummaCare primary care providers and specialists are listed alphabetically by county and specialty.

In addition, an INDEX is included in the back of this directory, which lists all providers alphabetically.

If you have questions about SummaCare or require assistance in selecting a PCP, please call our Member Services Department at **330.996.8885** or toll-free **800.996.6250**. From October 1 through March 31, a representative is available to take your call from 8:00 a.m. until 8:00 p.m., seven days a week. From April 1 through September 30, a representative is available to take your call from 8:00 a.m. until 8:00 p.m., Monday through Friday. Outside these hours, you may leave us a message and a representative will return your call the next business day. TTY users should call TTY **711**. You can also visit **summacare.com/medicare**.

Primary Care Provider

When you enroll in SummaCare, you will select a Primary Care Provider (PCP) who is a member of the *SCMedicare* network. They include General Practitioners, Family Practitioners, Pediatricians and Internists – all of whom have private practices.

We recommend that your medical care be coordinated through your PCP; however, this is not required.

Selecting a Primary Care Provider – look for the symbol

In this directory, a  symbol next to a provider’s listing indicates that he/she is a Primary Care Provider. If you do not see this code next to a provider’s listing, that provider is not considered a PCP.

All PCPs have a unique code assigned to them called a “Provider Code,” which can be located within their listing. When you enroll, you will select a PCP and include this code on your SummaCare Enrollment Form. If you do not select a PCP when you enroll, we may assign a PCP to you. You are able to change this PCP at any time by contacting our Member Services Department at **330-996-8885** or (toll-free) **800-996-6250**. (TTY **711**).

Note:

An  symbol within a provider’s listing indicates that he/she is accepting new patients at the time this directory was printed. Please check with the provider’s office to confirm that this information is still accurate.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from out-of-network providers. Out-of-network providers are providers that are not part of the SummaCare network. If you use out-of-network providers, these services may not be covered and/or you may have to pay more out-of-pocket costs. To get detailed information about out-of-network services and which services may require a referral, please see your Evidence of Coverage.

If you enrolled in an HMO-POS plan, with the exception of emergencies, urgent care or out-of-area renal dialysis, it may cost more to get care from out-of-network providers.

SummaCare network and out-of-network providers should always bill SummaCare directly and only ask SummaCare members for their share (copay) of the cost, if applicable. If you are a SummaCare member and you receive a bill from a network or out-of-network provider with an amount you think is more than you should pay, please contact our Member Services Department for assistance.

If you have a medical emergency, you still qualify for in-network coverage even if you can’t get to one of our contracted SummaCare hospitals. If you need emergency treatment anywhere in the world, go to the nearest hospital. We recommend you contact your PCP within 48 hours of your treatment/visit so that he/she can coordinate any follow-up care.

If you are enrolled in an HMO plan, you must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis. If you obtain routine care from out-of-network providers, neither Medicare nor SummaCare will be responsible for the costs.

All SummaCare Medicare Advantage plans include Visitor/Travel coverage. Refer to the Summary of Benefits documents or your Evidence of Coverage (EOC) for more information.

Introduction

This booklet provides a list of SummaCare's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and SummaCare's formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under SummaCare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of November 05, 2025. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi. For more information, please contact us or see the mail-order section of this pharmacy directory.

This directory is for Northern and Northeast Ohio including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call SummaCare Medicare Member Services at **330.996.8885** or toll free at **800.996.6250** (TTY users should call **711**).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies in this directory are listed alphabetically by county. Within each county, pharmacies are listed alphabetically by pharmacy type.

Pharmacy listings appear as follows:

You can get prescription drugs shipped to your home through our network mail order delivery program which is called Birdi.

For refills of your mail order prescriptions, please contact Birdi 15 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact Birdi at 855-873-8739 or TTY number/TRS Relay number 711 or visit www.medimpact.com.
