Tuesday, November 17, 2026, | 12 – 1 p.m.

Register for the SummaCare Clinical Quality Improvement Webinar

This session will focus on key quality measures and practical strategies to support better behavioral health and social needs outcomes.

- **Initiation and Engagement of Substance Use Disorder Treatment**
- **Follow-Up After Positive Depression Screening**
- **Social Needs Screening**

Presenters:
John Kasper, M.D.
Mykola Kolganov, M.D.

Why Attend: This session will provide practical information to help your practice better understand these quality measures, identify opportunities within the patient care journey and support improved outcomes for SummaCare members.

Who Should Attend: physicians, nurse practitioners, office managers, quality improvement coordinators, care managers/care coordinators, RNs/LPNs/medical assistants, behavioral health staff and referral coordinators.

You'll also have dedicated time to ask questions and discuss the measures directly with our Clinical Quality Improvement team.
