

SummaCare offers many ways for you to pay your Medicare Advantage plan premium.

1. Premium withheld from Social Security or RRB check

Premiums can be automatically deducted from your Social Security or Railroad Retirement (RRB) check each month. Enroll by downloading the Premium Withhold from Social Security Form from summacare.com/easypay and returning it to the designated SummaCare address.

2. Direct Debit/Credit

Premiums can be automatically deducted from a checking or savings account or charged to a credit card each month. Enroll by downloading the Direct Debit/Credit Card Authorization Form from summacare.com/easypay and returning it to the designated SummaCare address.

Please be aware that options 1 and 2 above may take several months to implement. You will receive a confirmation letter from SummaCare indicating the first payment date that the option you selected will occur. Until confirmation, please pay all premium invoices you receive using one of the methods below.

3. Online Bill Pay

Pay online by going to summacare.com/easypay. Or, you can pay by logging into your secure member portal, Plan Central. You will need your SummaCare member ID number.

4. Phone

You can pay via phone by calling **330.996.8885** (TTY **711**) or (toll free) **1.800.996.6250** (TTY **711**). You will need your SummaCare member ID number.

5. Mail

Receive a monthly bill in the mail each month and mail in payment or pay online or via phone.

If you are completing a paper application, please indicate your preferred method of payment. You can change your method of payment by visiting our website at summacare.com/easypay. Instructions for each payment option are available on this webpage.
